# Connecting Neighborhoods Using Neighborhood Link

Neighborhood Link is a service that provides neighborhood organizations with their own **free** interactive website. Neighborhood Link Web sites help improve resident communication within the neighborhood and between different neighborhood groups. Neighborhood Link can help you create an interactive neighborhood website that includes:

- Neighborhood contact information
- Neighborhood newsletter
- Community events calendar
- Discussion forum
- Links to City government offices and police
- Local school information
- Pages containing information and photos
- And **MUCH MORE!**

## Creating Your Website

1. Visit the Neighborhood Link home page at [www.neighborhoodlink.com](http://www.neighborhoodlink.com)
2. Click on “Set Up a FREE Site” in the right-hand portion of the page
3. Scroll down to the bottom of the page and click on “Set Up a Free Site”
4. Complete the *HOA, Neighborhood or Organization Information Form* and click the “send” button
5. Complete the *Personal Account Information Form* and click the “send” button
6. That’s it....create your own website!

## System Requirements

Neighborhood Link can be accessed through the following browser versions:

- Internet Explorer version 6, 7 or 8
- Firefox versions 3.6 and higher
- Safari versions 4.0 and higher

Neighborhood Link Web sites require that you have ‘cookies’ or Java Script enabled.

As with any Web page, the speed of your computer’s processor will affect the speed with which the pages will come up.

## Neighborhood Website Example

The neighbors of Mission Manor at Ray Ranch HOA have worked hard to create an excellent site full of useful information. Check out their website at: [www.neighborhoodlink.com/Mission\\_Manor\\_at\\_Ray\\_Ranch](http://www.neighborhoodlink.com/Mission_Manor_at_Ray_Ranch)
