CITY OF CHANDLER Senior Center

Mission Statement

The Senior Center is dedicated to providing affordable recreational and leisure opportunities for active, senior adults ages 55 and older and those with disabilities. The Center offers diverse programs and services that encourage citizen involvement and a strong active community while striving to promote the social, cultural, and healthy lifestyles of its residents and visitors.

Mayor Jay Tibshraeny and the Chandler City Council

"The Senior Center is my first home. My house is my second."

- Nick Simiz, Participant

Social Services

The Senior Center can also be an indispensable resource for seniors looking to meet their non-recreational needs. Outside vendors come in on a regular basis to provide educational seminars, hold one-on-one consultations for insurance and Medicare, provide free medical screenings, offer peer counseling and host support groups, many of which are free to participants.

Trips and Excursions

Sometimes we want to see something besides the Senior Center, so we go explore! Our outings have included trips to professional sporting events, theaters and plays, casinos and museums or just taking a trip to a new restaurant for a meal together. Suggestions and ideas are always welcome because we want to go where you want to go. Come join us!

Lunch

Subsidized by The Chandler Christian Community Center, the Senior Center serves lunch every week day. The cost is a suggested donation of \$2.50.

"Don't just count your years, make your years count."
