

VEHICLE POLICY

Scattered Site Housing

NUMBER OF VEHICLES

Each scattered site home leased by a tenant/family allows a maximum of up to five (5) vehicles to be registered to park on housing division property. Any tenant, who parks more vehicles, than is registered with the housing division property will be noticed and fined and/or the unauthorized vehicle will be towed. Each parking violation will be considered a violation of the Lease. If a tenant family wishes to park more than the number of authorized, registered vehicles, any additional vehicles must be parked off the property.

PARKING

Residents will only be allowed to park on the existing concrete driveway, under the carport or in the garage, depending on the parking amenities that come with the home. Parking may also be allowed on the public street. Residents and their visitors are not allowed to park on front, side or rear yards, sidewalks or patios. This parking restriction includes all motorized vehicles, and attachments.

REGISTERING OF VEHICLES

Each tenant/family wishing to park a vehicle on housing division property will register that vehicle with the housing division. Commercial vehicles, with the exception of standard size passenger vehicles and standard size pick-up trucks, are not allowed to be registered or parked on at the property. All vehicles should be properly registered with the Motor Vehicle Division and be properly insured. Any driver of a registered vehicle should be properly licensed.

PARKING DECAL

The resident will receive a parking decal, along with a copy and explanation of the policy, rules and regulations. All vehicles must have an appropriate decal to park at their residence.

If, for any reason, a tenant no longer owns or operates a vehicle with a current housing division parking decal on it, the tenant will notify the housing division within forty-eight (48) hours of the change. If a tenant acquires a different vehicle and wishes to park the new vehicle in at their residence, the tenant must ***first*** have a new parking decal issued for that vehicle. Failure to do so ***before*** parking at the residence will result in a notice, fine and/or tow. The parking decal will be displayed on the driver's side of the rear window; however, the alternate location for tinted windows will be the front passenger lower right side window. The parking decal will be visible at all times. Any alterations to the decal will result in a notice and fine and/or tow and the resident will be required to purchase a new parking decal. The decals will be valid until the vehicle is replaced, damaged, unreadable or the lease is terminated. The cost to the resident for a new vehicle replacement decal or damaged decal is \$1.00 per occurrence.

LOST OR STOLEN PARKING DECALS

If, for any reason, a parking decal that is attached to the tenant vehicle becomes damaged or missing, the tenant will notify the housing division within forty-eight (48) hours. A replacement decal will then be issued. The cost of the replacement decal will be \$1.00.

VISITOR PARKING

Visitors may not park at a resident's home for more than twenty-four (24) hours without housing office approval. (**NOTE:** Residents are required to notify the housing office regarding any visitor(s) who is staying overnight.) **Tenants are responsible for their visitors parking.** Visitors parking policy violations may result in a notice and fine and/or tow, and will be charged to the appropriate tenant.

UNAUTHORIZED PARKING

1. No parking on lawns or other landscaped areas.
2. No parking on sidewalks, pathways or granite/gravel areas.
3. No parking in back yards or alleys.
4. Never store or park a motorcycle, motorbike, etc. inside a home/storage unit.

Any vehicle found in violation of the above policy will result a notice and fine and/or possible towing at owner's expense.

VEHICLE MAINTENANCE

Vehicle maintenance is not allowed on housing division property. Motor vehicle parts may not be left unattended or stored outside the home, on the driveway or around vehicles. Such parts found unattended will be disposed of immediately by housing division personnel, and the tenant will be charged for clean up.

Tenants or visitors found to be in violation of this policy will be noticed and fined and potential charged for any clean up costs.

INOPERATIVE VEHICLES

No vehicle shall be left inoperative at a resident's home for more than forty-eight (48) hours. Tenants may be required to start up and drive a vehicle at the request of the City of Chandler Housing Police Officer or Housing Representative. If the vehicle fails to start, fails to move under its own power, or if the tenant refuses or otherwise fails to start up and drive said vehicle, that vehicle will be considered to be inoperable, and the tenant will be noticed and fined and/or subject to tow.

Storage of inoperable or "project" vehicles in also not allowed in garages, carports or on driveways. Boats, trailers, RV's, ATV's (etc.) are to be parked or stored at an off property storage facility and not parked at the residence. If accessory recreational type vehicles must be temporarily parked on property (for overnight loading or unloading), they must adhere to the previously outlined rules and they must be in good and operable condition. Boats, campers and RV's may not be used for storage purposes.

VEHICLES THAT ARE LEAKING EXCESSIVE FLUIDS

After notification the tenant will have 24 hours to clean up leaking fluids because a continuous leak will result in damage to the surface. Clean up includes removing any material(s) used for absorbing fluids.

To avoid a ticket, cleanup charges and/or repair charges for damage or staining to the surface, tenants are highly encouraged to use a drip pan under any vehicle with gas, oil, transmission, or radiator leaks. If a drip pan will be used ensure you mark the pan with your name and clean it often. Another option is to park your leaking vehicle on the public street.

Excessive leaking refers to any leak that creates a puddle or stain greater than four (4) inches in diameter. Pictures will be taken of vehicle causing leaks as well as the leak itself and placed in the tenant's file along with a copy of the ticket.

WARNINGS

At the sole discretion of the City of Chandler Housing Police Officer or Housing Representative a warning may be issued in lieu of towing for a first time offender.

PARKING VIOLATION NOTICES (TICKETS)

Parking violation notices (tickets) that result in fines will be issued by the City of Chandler Housing Police Officer or a Housing Representative for any violation listed in this Vehicle Policy (also see Schedule of Charges). A copy of the notice (ticket) will be placed on the vehicle and a copy will be mailed to the resident by first class mail. Tenants will have ten (10) business days from receipt of the parking violation notice to request a hearing regarding the parking violation. **Parking fines will be added to your monthly statement of charges (rent and other charges) after the violation.**

TOWING

The City of Chandler Housing Division, the local Police Department or Fire Department may tow any vehicle on housing division property under the following conditions:

1. Any vehicle that is in violation of any section of this vehicle policy or other traffic control policies.
2. Any vehicle that constitutes an emergency situation or is an immediate treat to the health or safety of residents or staff.

Tow notices will be in the form of a tow sticker attached to the vehicle. This tow sticker will include vehicle description and the tow date. Removal of this tow sticker by the tenant will not stop a tow. Any vehicle that is towed will be done at the expense of the owner.

SCHEDULE OF CHARGES

All parking policy violations will be addressed as follows:

- 1st Parking Violation Notice - \$10.00 fine, counseling, and a lease violation.
- 2nd Parking Violation Notice - \$ 10.00 fine, counseling, and a lease violation.
- 3rd Parking Violation Notice - \$ 10.00 fine, loss of onsite parking privileges for three months
- 4th and Subsequent Notices - Vehicle towed at resident's expense and permanent loss of on site parking privileges
